Tokyo ? - September 21, 2014, 2:30 pm

This name is quite decieving.. when I saw this name I assumed it was about video editing.. yet you are only focusing on GFX other than VFX.

Good luck with this.

Regards.

Cyber Saint - September 21, 2014, 2:35 pm

You spelled the logo/userbar differently than you spelled the thread title, lel...

Spoiler [\(Click to View\)](#)

Name: cyber saint

Age: i cant remember

Skype Name: cyberthefuckball244454543054359040959959599509904093

Why should you join?: because i'm an ms paint expert

Place any past work here: <http://prntscr.com/4p29ff>

Mutes - September 21, 2014, 5:11 pm

I think you need an "editor" for the title of this thread.

Narcissistic Behaviors - September 21, 2014, 5:13 pm

Wat a joke. I swear this group of kids.. First it was unlisted now this... Sigh.

Just let him have fun, why are you storming in his parade?

Grin - September 21, 2014, 8:31 pm

Hi,

How do you spell editor? Editer, ok.

eightz - September 21, 2014, 8:34 pm
