Funnily enough, if you had voted for Rize last round she would've gotten into a tiebreaker, maybe she would've even made it to this round.
I know how you feel though, Match 2 & 6 results really disappointed me.

Lol at only two votes for Ami, I'm guessing that was you and I? And couldn't bring myself to choose between Rize and Subaru or else I would have voted -__-

I'm voting Oshino even though I haven't watched any of the monogatari series yet. I'm expect this to be a close match between Shiro and Oshino in the end... but expect Shiro to win.
