Don't you love when people take advantage of something that was given away free?

TheProX - September 25, 2014, 3:31 am

Thanks, purchased a licence from him all went smooth!

Seems these were given out for free, I'll pay you 1.75\$ for your troubles. Welcome to real life.
PM me with your paypal address.

Wow people are actually buying these? They are being given out for free by cryberghost.

TheProX - September 26, 2014, 3:52 am

Purchased one more key from him ,thanks mate!
