Thread: [OberonSoftware - \[Read if you are customer\] // Skype Banned](#)

Prestigio - September 24, 2014, 1:52 pm

Hey guys, my english no is very but i most try understable english, please all my customers and members with softwares OberonSoftware, for support and more add a my new skype: OberonSales

is for any people, we have support 24/7

~OberonSoftware ?

Filthy Frank - September 24, 2014, 1:58 pm

I think you're better off at posting this in the marketplace section but w/e.

I think it's good of you notifying your costumers that you've got skype support now.

Good luck OP!

Prestigio - September 24, 2014, 3:51 pm

Thanks i create post in marketplace.

~OberonSoftware

I would not recommend posting there, just wait until this thread is moved as you may be warned for cross posting.
