Thread: [\[E-Book\]Beginning Visual Basic 2010](#)

codepoet - May 28, 2010, 1:14 pm

Hello HF Members,

Beginning Visual Basic 2010

[img]http://image.ebook30.com/data_images/2010/05/04/1273036893-001462d4medium.jpeg[/img]

<http://ebook30.com> Wrote:Wrox | 2010 | ISBN: 0470502223 | 720 pages | PDF | 11,6 MB

Synonymous with writing code in Visual Studio 2010, Visual Basic is an incredibly popular programming language. Its speed and ease of use make it a frequent first choice for new programmers, as well as a heavily favored choice for the more experienced set eager to learn Visual Basic's latest iteration. This beginning guide provides you with a solid foundation, unlocking the power and possibilities of Visual Basic 2010 and giving detailed steps for quickly and easily writing useful programs. Beginning Microsoft Visual Basic 2010: Details the process for creating Windows Forms applications, WPF Windows applications, web applications, WPF browser applications, mobile device applications, and Web Services Discusses application debugging, error handling, and dealing with unexpected events Addresses object-oriented programming and how to use it in your applications Reviews dynamic data web sites and ASP.NET Introduces XML and shows how it can be used to integrate your applications with others Explains deploying applications using ClickOnce technology Covers Access®, SQL Server®, and ADO.NET

asdealmeida16 - June 9, 2010, 8:45 pm

Thanks for sharing this....might be usefull!

Vortex147 - June 9, 2010, 8:56 pm

Totally checking this out for sure! :) Thanks a ton!!

codepoet - June 9, 2010, 9:00 pm

again you are all very welcome.

MKET - June 9, 2010, 9:14 pm

Thanks, I'll check it out! ?

Vortex147 - June 9, 2010, 9:27 pm

Dang this is really helping me out! :) Thank you 'again'! =]

codepoet - June 10, 2010, 5:33 am

Really glad that i could help.

Zer[o] - June 20, 2010, 7:50 pm

Great share thank you so much this is what i will use to begin vb.net :D

Slankey™ - June 20, 2010, 7:51 pm

Thank you very much.

I'll read it.

codepoet - June 20, 2010, 8:16 pm

I'm glad it was helpful to both of you..
