Pantheon and oscar activated!

Triply I can't find your username.

Don't hesitate to leave a review and buy from us @ 30% OFF

Kouichi - September 28, 2014, 8:39 am

To all of you leeches, when you ask for ask for a vouch copy and receive one, you're supposed to test it and vouch for it, not ask for it and never reply to the thread again. ???

Meester - September 28, 2014, 8:47 am

Lol. I don't think they are going to review at all.

Anyway. Updating the power.

Power Updated. Hitting hard! Don't hesitate to buy !

We are down for few hours. Need to work on power and API.

Meester - September 28, 2014, 9:54 am

My bad! I will inform you soon once we are done .

Paranoid? - September 28, 2014, 9:56 am

I'm receiving this error: Internal Server Error

Meester - September 28, 2014, 9:57 am

Yes. We are changing our name servers to cloudflare.

That might take up few hours. So yeah. Really sorry. I will inform you ASAP.

Stresser is UP! Running fast. Don't hesitate to buy.

All users are activated! Stresser is hitting hard as fuck.

Seltered - September 28, 2014, 10:28 am
