Taiga is one of the most moronic Anime characters I have come across. Eu has much more potential as a best girl, at least she won't leave you in the middle of an elope with no word. See, Eu actually cares and will revive you while Taiga is waiting for the next train.

Dragon. - September 28, 2014, 6:37 pm

iMew - September 28, 2014, 8:12 pm

... I feel like I'm the only one who absolutely hates Mashiro. Her character is overdone, bland, annoying and generic as fuck. Taiga and her are the two characters I really want to see kicked out of this contest.

I honestly don't see why anyone would even think of her being a best girl, but opinions vary I guess. In my opinion she was the worst character in Sakurasou.

That said, there's no way she's better than Eu, therefore vote Eu.

Meh. I nominated her after all. Just to be fair though, if I didn't nominate her, somebody would have. In hindsight, I agree with your statement. She is pretty generic. I enjoyed the show because of all of the characters in the story, the story itself, and how it was executed. The story would still pretty much be the same without her. I can't say the same if Sorata was cut out of it.
