Thread: [40\\$ contest | 2 winners | No signature bullshit](#)

**Broda** - September 29, 2014, 4:04 am

I'm having a good day so I'm giving away some money. can send it to your PP or buy you a steam game etc.

1. place: 25\$
2. place: 15\$

The idea is to post some good music for me to listen. I mainly listen to EDM but I also like "real" music like Metallica. Not a huge fan or rap (good rap is always good tho). You can post multiple songs but please post only once. The previous contest was won with "Blackmill - Miracle Full album" youtube video. I don't usually listen to dubstep but that melodic shit was pretty cool. So yeah, start posting. I will close this contest in one to two weeks.

4.10.2014 Edit: Didn't expect this many entries so I'm going to close this on Monday. I have picked three winners already, not sure how much the third and possible fourth place are worth. So yeah, keep posting. There's still room for one more winner.

## 3 WINNERS

Spoiler ([Click to View](#))

1 (25\$). Xerah with <https://www.youtube.com/watch?v=MtJCr36OFZs> (Can't really explain why I liked this so much. Makes me smile for some reason.)

2 (15\$). Starstruck with <https://www.youtube.com/watch?v=VSRwS1T5l4I>

3 (10\$). adampelletgun with <https://www.youtube.com/watch?v=fR-COZ-4i8o>

Winners will be contacted shortly.
