napsterv - September 29, 2014, 12:26 pm

Is the 10USD investment recurring? or one time only?

Limited Edition - September 29, 2014, 1:32 pm

I'm interested in this method, please PM me with more info.

I would also like the answer to napsterv's question and is it possible to invest more than \$10 to increase the daily earnings?

Rooter - September 29, 2014, 2:47 pm

OP, does this involve cloud mining of some sort?

BUSINESS RULE NO.1 - no serious business needs your 10\$.

Some people never learn and fall for same scams over and over.

olowek - September 30, 2014, 5:13 am

As it's clear from OP's screenshot, he recieves BTC from 215Kh/s

200Kh/s is 7 day promotional and 15Kh/s is bought for those "10\$" (script)

<https://hashprofit.com/en/khs/>

WITH 215Kh/s Script you MINE 0.00008967 BTC/day (not 0.0015) with most profitable Script altcoin

HASHPROFIT is overpaying so it turn into SCAM sooner or later.

kapoorraghav - September 30, 2014, 12:20 pm
