Hello mind telling us who won the last one?

Nigga From Africa - October 2, 2014, 5:25 am

Just a bit of feed back on your forum :)

Site is loading a bit slow.

Theme is very basic, and a bit annoying to look at imo.

What i would do:

Change the theme.

Add tabs and some more sections.

Add some awards, do some contest on the forums for example 10 HQ tutorials = \$5 or something.

Add groups

Consider getting some better looking stars, they feel very LQ - Maybe something that matches the forum theme.

Based on what OP put in his previous thread the contest will continue because he was transferring to paid hosting :)

He should still pay the other winner from the other thread as that's un fair and seems like a fake contest to me.

Nice forum, man! I signed up with you as my referrer and bookmarked forum for future reference and later use :D

I would suggest sorting the colours out in certain parts though, not all of them are contrasting with the font colour and it's really difficult to comprehend without highlighting it. Other than that, I believe it has potential. 2 posts so far omggggg :D

EDIT: 7 posts now w0000t.

Kind Regards,

~ dodgygeez
