ABOUT A WEEK AGO.

I'VE BEEN SELLIN CRACK SINCE THE 5TH GRADE.

LogitechCamMan - October 12, 2014, 10:56 am

I don't understand why everyone is so crazy about this song. Part of the lyrics are stolen from another song, and on top of that he is using someone else's drill beat. But i have to say, he did popularize the "Hot Nigga" song by doing his remix on it.
