Thread: [\[SUPER HQ\] GET SUPER SCRIPT FOR GAMING NICHES - FULLY EDITABLE - BANK HARD](#)

rajneesh - October 4, 2014, 8:20 am

Hello Heroes,

Here is my another share to my favourite forum.

This is an amazing gaming script which is fully editable by which you can change any gaming look by yourself. {Tutorial Included}

This script i am here provided is basically for Boom Beach Hack Tool. But You can change it for any other game.

NOTE : This script is made for small gaming niches like Android and iPhone games.

Take a Look how it looks.

DEMO : <http://templerun.url.ph>

Screenshots :

PAGE 2 LOOK :

PAGE 3 LOOK :

PAGE 4 LOOK :

TUTORIAL TO CHANGE FOR ANY NICHE YOU WANT

[\(Click to View\)](#) Step 1 : Change of Background

>>> Go To WP-CONTENT >> THEMES >> CLASHOFCLANS >> IMAGES

Then change the images related to your niche. You have To Change the below mentioned images.

After that >>> GO TO WP-CONTENT >> THEMES >> CLASHOFCLANS >> STYLE.CSS

Note: You must have notepad++ for this to find the codes easily.

right click on style.css... you will find below codes... change them with your images. then save.

TO CHANGE LOGO >> RIGHT CLICK ON INDEX.HTML & GENERATE.HTML both >> Find logo.png >> Change with your logo.

NOW THE MOST IMPORTANT PART : HOW TO CHANGE YOUR CPA/PPD LINK..

Right Click On Generate.html >> Find >> <http://linkz.it/6ynG> >> change with yours. see below image.
