Ninetales. - October 4, 2014, 6:42 pm

I have the money for this but I'm hesitant putting down the bid.

I've messaged Hex regarding some questions about the group.

Simply™ - October 4, 2014, 6:44 pm

Good luck with sales :). L'appel seems like a nice group.

zSerity - October 4, 2014, 7:06 pm

I recommend to anyone out there, if you have the money go for it.

This is a very well organized group full of a lot of very bright members.

Edit: Second thought I may be bidding on this tomorrow, I'm going to sleep on it.

I'd buy this if I had more time. Damn.

Trust - October 4, 2014, 9:13 pm

It's late and I'm tired.

At first I thought the entire group was for sale.

\$500 for a group, GG.

Ninetales. - October 4, 2014, 9:14 pm

I'll wait til tomorrow to enter my bid. But I am most likely bidding.

Cyrus - October 5, 2014, 9:25 am

Goodluck selling your spot Kinky <3

Psykonaut - October 5, 2014, 10:39 am

I'll buy it right now with this payment plan.

\$10/month for 70 months ?

Cyber Saint - October 5, 2014, 12:25 pm

It's a good group and well-run. Anyone looking to buy a leadership spot for a group should most certainly drop a bid for a leadership spot in L'appel du vide.

Ninetales. - October 5, 2014, 1:38 pm

After further discussing with Hex, I have decided to not bid as of right now. I encourage someone else who may be looking for a long-term investment to pick up this offer, but since I would be in the business to just break even as soon as possible, I do not think I will be bidding(unless some change of events happen).

Aceman - October 5, 2014, 6:59 pm

Best of luck selling your spot Kinky. At least you'll still be leader of Phoenix. ?

SIM-1166170 - October 5, 2014, 8:03 pm

b?xxy - October 5, 2014, 8:04 pm

I'll offer \$500 on this, I really like this group and am upset I got kicked.

Tonight - October 5, 2014, 8:04 pm

Just some clarification, you may not sell group spots and if you are found out to be doing so you'll likely be removed.

If you accept buyins if you ae the leader, do you get all the money?

No offence, just curious, but what is the point of buying a leadership spot if you arent going to make money off of it? I mean, if your looking to do it just to join a group, why wouldnt someone just buy a group spot?

Again, proving why my post was necessary, buy ins are not allowed.

Because you cannot buy into the group.

The whole buy in thing will have to be further discussed in the future with Hexi because he told me at this moment buy ins aren't a thing.

SIM-1166170 - October 5, 2014, 8:08 pm

iKinky can i pay you to add me? ill get vinnie to knock of the reaming amount of money i owe him

Hm. well good luck with selling the leadership spot.

Redwall - October 5, 2014, 11:50 pm

Looks like a fair price for leadership, good luck with sales.

Rayzah - October 6, 2014, 1:36 am

Has this sold yet? Would you take any other payment?

bugga - October 6, 2014, 2:56 am

You should add any stipulations that may go with the purchase.

Example: Maybe they have a set amount of members they can invite and have as their guest at anyone time. Whether they can sell a few spots or not, if scam reports proven against them will forfeit the leadership spot purchase and so on and so fourth. :)

Thats 5 months ago Tom and if you read Satu's post again you might understand.

As far as I know the group has no plans of being sold.

Autopost - October 7, 2014, 9:35 pm

So to confirm no selling of spots? Now or ever?

Would be good to actually get a post from Hex in here instead of a fight between Kinky&Satu.

I'm not fighting and I don't think he is either. What hex told me is that he isn't allowing buy ins right now. soon though

I guess if you wanted to buy it out and delete one of the spots then sure! :D

Eternal. - October 9, 2014, 2:55 pm

Well worth it if you want to be a leader of a very prestigious group.

SIM-1729678 - October 9, 2014, 2:56 pm

Kinky is my man <3 he is a legit member, and very trusted, have done many deals with him, I would not hesitate to deal with him for this spot! It is cheap as hell.

Glws kinks

Kosmos - October 10, 2014, 1:02 pm

Good luck with your sales iKinky. If I had the time and money to spend, I would buy this right now to be a leader again, but I need to prioritize school and other things first. I hope the new leader means business, because this isn't a playground day watch job.

iKinky - October 10, 2014, 10:35 pm

Thanks for the kind wishes everyone.

WATCH OUTTTTTT.

Thornzzz - October 12, 2014, 5:21 pm

Might throw down a bid on this. Is there a limit to the amount of members I kick?

Smexy - October 12, 2014, 5:26 pm

If i was to buy this, would i be able to kill people under command of the minions?
(minions=members)
