Thread: [Can I make a Canadian PayPal account if I'm not from Canada?](#)

BurlyWings - October 7, 2014, 10:09 am

I'm from the UK. Is it illegal to make a Canadian PayPal account?

Laid - October 7, 2014, 10:11 am

Is it illegal..yes, can you do it? yes. Will you get limited? Possibly

Sucker for pain - October 7, 2014, 10:12 am

yes it is illegal, u last pretty long until your limited.
depends on how much receive and chargebacks etc.

This never ends well. If you're gonna make a PP account with a VPN, you better use the exact same VPN every time, or they'll fuck you over. They don't care about your IP address at all, unless you switch countries with a VPN when you log in.

You'll be able to make a CA account just fine, don't worry about it.
