All i need is a username.

Can take everything from an hour to 24 hours to complete, else money back.

Only dealing over PM and XMPP.

Proof:

Payment methods: BTC

ToS:

No forum users.

I will not suspend any users from other forums i personally know.

Only refunds if i fail to deliver your service.

I wont sell to you if you wont agree to the ToS

I can change these ToS whenever i want without any notifications.

I will do 2 orders a week.

ereboss12 - October 11, 2014, 7:52 am

Is the methode buyable ? I would buy it for a good price :D

Jeremy White - October 11, 2014, 7:59 am

I think you would make much more money by selling the method rather than suspending accounts.

Molest - October 11, 2014, 8:01 am

GLWS OP!

I took part in creating the method myself, before I registered on HF. You may laugh, but it's true. ?

?

Nigga From Africa - October 11, 2014, 8:45 am

Method is not for sale.

I'd rather keep it un-saturated.

Nicholai - October 11, 2014, 8:47 am

I would get this closed as fast as you can.

My service got closed, look at my warning.

If not, then good luck with sales!
