Thread: [My Brand New Sub-Reddit Is Trending On Reddit!](#)

???- ?Z -??? - October 10, 2014, 1:44 pm

Holy shit guys, I feel so special! I randomly grabbed a subreddit in a comment section, and boom, TRENDING! Join me at /r/FIFTHWORLDDEMOTICONS!

Ugh, yes it is good, There's a subreddit for everything. Stay away from subreddits such as funny if you want to avoid stupid shit.

Congratulations, you're the owner of a temporarily popular sub-reddit which will get abandoned in two to three days.

On the universal scale, it's like an ant climbing a rock. Sorry to be an asshole, bud.

Awesome :). Been a redditor for about 3 years now, glad to see your subreddit be successful. I also think I've seen it mentioned in r/AskReddit before.
