Np, been trying to crack it for the past 6 months now, they have a strong piece of protection on the kit.

Prone - May 29, 2010, 6:22 pm

ahahah. Imao, I finnaly found this, now how does it work?

KØRRUPT - May 29, 2010, 6:24 pm

I'm sure after some Googlin' you can find some in-depth tutorials on how to use this nifty piece of software.

Salad - May 29, 2010, 6:28 pm

"And the program opens on the screen, in a mater of minutes"

XD

KØRRUPT - May 29, 2010, 6:29 pm

2 downloads, fucking lulz at the obvious leechers.

00codebook08 - May 29, 2010, 6:34 pm

Thx for posting this. Will help lots of GFX n00bs.

Ramsay448 - May 29, 2010, 6:38 pm

Very nice Share ?

People like me ?

KØRRUPT - May 29, 2010, 6:45 pm

This is clean btw, I will post a virus scan on request.

You serious brother? LOL'd hard :D:D

Kotei - May 29, 2010, 7:04 pm

How long ago did you crack this?

Zangrefia - May 29, 2010, 7:06 pm

Virustotal.com + novirusthanks scan logs please. I don't trust you enough.

frogsten - May 29, 2010, 7:07 pm

Do you have a crack for Microsoft Batch Studio 2008? (Notepad XD)

Salad - May 29, 2010, 7:10 pm

(May 29, 2010 07:07 PM)frogsten Wrote: [\[CITE\]](#) Do you have a crack for Microsoft Batch Studio 2008? (Notepad XD)

I only have new version (2010)

Xenochrist - May 29, 2010, 7:11 pm

This guy wouldn't risk his ub3r account. although i've seen a scam report against him
XDD

00codebook08 - May 29, 2010, 7:12 pm

Uhm... can someone re-upload please? Link is not working for me D:

Yin - May 29, 2010, 7:16 pm

Dude, it's not opening for me? It's giving me an error. Please PM me and help me out.

HCWcode® - May 29, 2010, 7:17 pm

Woow nice i will download now!!!!

Kotei - May 29, 2010, 7:18 pm

I am calling BULL SHIT!

He claims to have just cracked it.

Here is a virus scan. Look at the date it was last scanned.

Almost 2 WEEKS ago!

<http://www.virustotal.com/reanalysis.html?8705ce03bbac53f8872ba9457916b894a067d49a5df426b10e6ea0fc2a07329d-1275184973>

By the way IDGAF if there is no detections. It is called polymorphic crypting!

EasyCrypt ftw, good game guis just infected y'all systems! Just reached 8936535 bots.

Xenochrist - May 29, 2010, 7:20 pm

thanks to you

MS Paint is SephorixTH Approved*!

"Can we make the line thinner?"

"...No."

*Statements may be sarcasm.
