I've got nothing better to do with my life than to fuck with pedos, horny kids, and get them to drive places & occasionally buy me things.

Feel free to ask any questions that you may have, or leave a comment about my stream, you're all welcome.

STREAM = OFFLINE <https://join.me/>

I am now taking requests, what kind of pictures would you like me to get?

I'm pretty sure I can get a guy to do pretty much anything.

Most memorable encounter I've had with a pedo was some dude who was legitimately fucked up in the head. Had him RAT'ed from a few crypted images I'd sent him while e-Whoring as a really young girl. The guy was constantly on the lookout for worn, unwashed panties being sold on the nets. Most cringeworthy thing I came across with this dude was seeing him try to look for school buses for sale.

Not certain what I did to him after that. I think I ended up trying to milk him off his dough.

Anyway, watching your stuff.
