IMPORTANT!

Wanna connect to women who live near you and are ready to give your penis their own independent performance appraisal? Many of these women are desperate moms and married women looking to cheat. They could be your neighbours, colleagues or someone you know.

To proceed, you have to agree to keep the identity of these women a secret. I agree, show me a list and photos of these local women.

Wrong. Without a penis you can still do both of these.

Pissing is going to burn like hell most likely. And for sex you are going to have to finger where your penis SHOULD be BEFORE you sold it, and when you ejaculate, finger it into the chick.

Think... you are selling your penis, not your balls or bladder.
