Thread: [How can i get the win7 start up menu on win8](#)

Decapitated - October 22, 2014, 5:52 pm

How can i get the win7 start up menu on win8.
yet i think win8 is my least fav os.

its easy to do a google search but i would like any suggestions
thx

One word "ClassicShell". You didn't search hard enough :

<http://www.classicshell.net/>

While ClassicShell is great, I myself would prefer IOBit Start Menu 8. OP, try both and see what you like more. :)
