Just in case anybody is wondering, here is a link to my portfolio: <http://min.us/mv39qibuqrqdr>

Starting my business back up on HF. Looking for some work!
Anybody interested in purchasing anything?

James Dean - February 17, 2015, 9:54 am

Did a Twitch overlay for me, exactly how I wanted and it was of very nice quality! Big vouch for Rayxl :)

Fluxify - February 17, 2015, 12:44 pm

Vouch for Rayxl, he has some awesome GFX skills. :)

Rayxl - February 22, 2015, 11:12 am

Thanks for the vouches. I may offer a few free services at the beginning. Let me know if you need anything.

Adverse - February 28, 2015, 4:25 pm

He is legit made me a nice logo thanks.

Rayxl - March 1, 2015, 3:30 am

Sorry for the confusion guys, this is my actual services thread.

Razor 1911 - March 1, 2015, 10:48 am

looks pretty clean man.. good luck with sales :)

Thanks dude, if you need anything let me know. Currently running this for free.

TomHimself - July 12, 2015, 10:33 am

Vouch for this guy, his PSDs are simply amazing. ?
