**Reeps** - October 25, 2014, 2:23 pm

Did you scam him? I got a \$20, and a \$30 amazon card today. I'm a tad bit worried about the last guy calling amazon support.

**HbananF** - October 25, 2014, 2:26 pm

Too many babe and :\* haha, good job.

**TheLegendaryBeast** - October 25, 2014, 2:49 pm

No Eskimotion, I didn't scam him and I don't scam anybody or even if I don't have what he paid for I at least give them something. Scamming ruins the ewhoring community and it's why so many guys now ask for verification. Thanks HbananF! :)

200 pics and a hour long video for 20 bucks? I am selling pics for like 1 pic = 1€, 15 for 10€ and so on. I think it sounds sketchy when you sell it that cheap.

But I don't tell them to pay in GBP until they need to pay! It's a strategy that everybody can use to get more money but I think I am the only one who does that :)

And yet, your payment was 20\$ USD.

With a better approach, you could've gotten atleast a hundred out of this guy it seems for the same deal. But it was an easy 20\$ ;)

I have gotten 3/5 guys to fall for that method.

I would definitely encourage you to use this to milk out their money.
