Thread: [Custom user title?](#)

Entire - October 25, 2014, 3:42 pm

How on earth do I get it? I've seen so many l33t users(so I know I can) with it. A custom title above the l33t userbar?

it has really pissed me off, at some time i thought i had to be the only one who can't lol

Niely - October 25, 2014, 3:51 pm

No problem. :)

Glad I could help you out a bit.
