1v1 Gamebattles fake proof guide

UPDATE: I was informed that this does not work on PS3

I am going to make this short and simple;this guide you teach you how to make fake video and photo proof for call of duty games.

Price: \$9.99 only selling 10 copies

This guide has allowed me to win every dispute. I guarantee you that you will get the win!

Buy it now here: <https://selfy.com/p/0ixD/>

I've seen similar methods but the user has a certain twist to it which in return will further your chance of success.

Ease Of Use 9/19

The method honestly is not hard to do. As long as your dedicated you should have no problem winning your disputes.

Grammar/Layout 9/10

I saw no grammar errors. They layout is typical, but not bad what so ever. all in all, if your dedicated to the cause this method is for you.

Cheers.

TOS:

*All sales are final.

*Chargebacks result into a scam report + blacklist of all my future products.

*You may not leak/resell this method.
