Thread: [*Final call* \(Happy Halloween!\) AA Night #2 \[Nominations Thread\]](#)

Dragon. - October 26, 2014, 6:03 am

Hey guys, I'd like to get this started as early as possible.

I hope to have a better turnout than Friday, so I will be telling you guys the date in advance.

I hope that it will be more organized; we will be watching two of the first episodes from any show.

Shows that are excluded are shows that were just played at last week's AA Night.

AA Night #2 will be hosted on October 31, 2014 at 5:00pm CST (11pm UTC).

Please nominate your favorite shows below. Nominations will run until Wednesday of this week. From then on, we'll vote, and the top 2 shows will be played on Friday.

No hentai please.

This week's theme will be Halloween. Any shows that aren't Halloween themed may/may not be removed from the voting thread (depending on volume, the most popular/highest rated/most requested shows will be kept).

zyvox - October 26, 2014, 6:48 am

Ok I'm gonna go ahead and say DxD
:)))))))

xRift - October 26, 2014, 7:29 am

Grave of the Fireflies, never seen it myself but I've heard good things about it

Chad ThunderCock - October 26, 2014, 7:31 am

Spice and Wolf for sure.

Seems like there's some people around here who still haven't watched it despite it being so great

Bezo - October 26, 2014, 8:41 am

I'd like to nominate No Game no Life. It wasn't that bad of a series...

Vandie - October 26, 2014, 11:18 am

I may stop by for this if I'm free. Glad to see what your working on dragon buddy.

BTW: I second DXD (need to re watch that shit)

Ang?I - October 26, 2014, 11:38 am

On Halloween night?

You guys have no life ;-;

Deany - October 26, 2014, 12:09 pm

Can I join, got this sweet-ass Asuna cosplay I need to test out. It really makes my hips look good y know

Nine - October 26, 2014, 1:02 pm

Kind of early for me so I won't be able to join when it starts. Most likely midway through first anime or right after its done, but its fine.

If we can watch a movie, I nominate Kara no Kyoukai 1: Fukan Fuukei. If not, then I would like to nominate Darker than Black.

Chips Ahoy McCoy - October 26, 2014, 1:21 pm

I probably won't be able to participate this time due to halloween. Glad to see a second round of this though.

-

I'll go ahead and nominate Wolf Children again. That's a must watch.

Vip?r - October 26, 2014, 1:29 pm

Maybe we should move it to Caturday?

I nominate Kakurenbo: Hide & Seek.

I don't think anyone here has seen it (neither have I) and it's seems to be related to Halloween.

It's also short, the length of 1 animu episode.

Would it be more convenient for everyone if it was on Saturday? I'd have to check my schedule to see if it would work for me.

GoneByTheWind - October 26, 2014, 5:11 pm

I nominate "Welcome to the NHK" (NHK ni Youkoso!)

Hunting Rifle - October 26, 2014, 5:15 pm

Tell me more about this.

And if we are all going to watch the same anime at the same time why not do Another or some other spooky shit?

Well basically it's a bunch of us weebos gathering together to do a live stream of an anime.

We watch it on Dragon's website MoeTube where we can chat or talk to each other while streaming.

Hunting Rifle - October 26, 2014, 5:36 pm

Sounds nice, I'm up.

But do some spooky shit m8s.

Esdese - October 26, 2014, 5:37 pm

I'll prob be busy but, you guys should watch DxD.

:D

:D

DxD is good but other than having to do with demons, it has nothing to do with halloween and it's certainly not scary/horror.

Plus everyone here has already seen DxD so it's kind of boring to re-watch it, I suggest we watch something new that no one has seen yet (and is scary/horror).

Hunting Rifle - October 26, 2014, 5:40 pm

I just recently watched DxD.

We all watch Sono Hana together, end of story.

Either way 10/10 anime

Those are good anime but like I said before, almost everyone has seen them.

Also a movie would be better imo.

Idk any good anime movies tho

We could all watch the Yu-Gi-Oh movie

Omshivam - October 26, 2014, 7:47 pm

I second Welcome to the NHK, been meaning to re-watch that for some time now. ? However it's not really halloween themed.

For a ghost/supernatural theme, I'd go for the Yami Shibai series or Shiki.

Yami Shibai is pretty good since it's just shorts and effective in the short time that it has.

Buffy Summers - October 26, 2014, 7:53 pm

I'm not sure. Preferably something ~spooky~ though!

I don't know if I'll be around. I hope I can hang out for a bit.

Gladly - October 26, 2014, 8:05 pm

Let's watch something Halloween based. I vote the Ouran Host Club Halloween episode, or maybe Soul Eater (I haven't seen soul eater yet apart from a few episodes, but it has a Halloween feel to it). No matter what we watch, I'll be here since I don't work that day. :)

Redline is freaking awesome. I'd back that.

Toonami - October 26, 2014, 9:17 pm

I wasn't able to make it so what shows are excluded? I thought I saw that it was changed to something else.

If y'all want something spooky then might as well watch [Higurashi](#). You get the gist of the entire first season just from episodes 1-4.

Quote:No hentai please.

B-b-but I got a really good one that I'm sure most people will like. And it's uncensored...?

Tasemu - October 26, 2014, 10:05 pm

[Video: <https://www.youtube.com/watch?v=wxBO6KX9qTA>]
And I will be watching this at midnight.

Leminiscent - October 27, 2014, 5:29 pm

In terms of anime and/or OVAs I'd suggest Another, Higurashi no Naku Koro ni, Shiki, Deadman Wonderland, Claymore, Psychic Detective Yakumo, Ghost Hunt, Hell Girl, Elfen Lied, or Corpse Party

In terms of movies I'd suggest any of the Kara no Kyoukai movies (that's all I can recommend in terms of movies because I don't watch many "dark" movies.

.
. .
. .
. .

(I wanted to list multiple suggestions, as I realize that many people have watched many of these anime already. Just pick out the anime that you [OP] and others like.)

Hunting Rifle - October 28, 2014, 7:36 am

Not even close, that's what it's like to be on LSD. It's fucking amazing, by the way.

Am I the only one who thinks that these should be exclusive to movies and OVAs/short films? Like in the spirit of Black's movie nights back in the day. Honestly don't see the point in watching 2 episodes from each show.

I just might confine it to that in the future; the amount of anime out there that are actually scary are numbered, and I felt that limiting it to just movies/single shot OVAs might reduce it even more.

Any show that is being recommended that is not Halloween themed will not be included in the voting; if the majority want to watch a particular show on Friday, then by all means I'll stream it. I just don't want a harem with absolutely nothing to do with Halloween win over those that actually pertain to this Friday's theme.

On that note, the voting closes tonight. Final call for nominations.
