Online Sir - October 26, 2014, 9:36 am

Why I deserve to win: Any amount of money right now is appreciated as I am building a project which has a lot of potential but there is a lot of things I need to purchase also (who knows, I might become a millionaire and you were the reason). Right now I am in some finance difficulties and this would be greatly appreciated. Yes, there might be people who need it more than me, but if not, It would be put to good use. :P

Thanks and good luck everyone!

P.s I don't even know how much 2000 Omnicoin is. Any amount is appreciated though.

Why I deserve to win:

Well, I'm not sure I deserve to win, more likely I want/wish/hope... to win, I'm working on a small project that I'll need couple people to help with it, their jobs won't be that big (might find someone to do it for free) so I'll be using those OMC to pay/reward them.

2,000 OMC is only \$2

So, this is a thread for a \$2 giveaway?

3P1C is 5,000 OMC, it'll help people get there.

Trust - November 2, 2014, 7:02 pm

The winner is [xadamxk!](#) ([Profile Link](#))

Why?

A. Generally good rep. Not a huge deciding factor, but if you have a ton of neg reps...

B. Checked threads and posts. Almost all are dedicated to helping HF users in some way or another.

C. Site mentor.

He was a fellow Empire noob and a decently good friend, but that's not why I chose him. In fact, I almost didn't choose him because of that. However, he is a very high quality user in general and truly deserved to win.

There were a TON of runner-ups.

So... I'm going to do something new.

Tomorrow I will update this post with why they lost and how they can improve.

Be sure to check it out.

Hope you all enjoyed the contest.

Until next time. ?
