Thread: [Mostwantedpwnz's Windows RDP Shop- MASSIVE CPU- MASSIVE RAM- CHEAPEST HERE](#)

These RDPs are not sold to anyone else on HF. One RDP per person. I'm not splitting it into user accounts. You get ONE by yourself and others get another. Therefore, you're getting QUALITY. You also get an ADMIN account. Each RDP lasts 30 days. You must give me at MOST 8 hours to complete the RDP. (this is incase that I have other shit to do). We are the cheapest suppliers here. Others offer very low HDD space plus no admin accounts. You get admin accounts.
