I'll throw a vouch in for this. I'm hanging out here pretty much all day every day. Its more accessible than the skype groups and also doesnt spam me on skype which causes me to dislike you from the very beginning.

Chips Ahoy McCoy - October 28, 2014, 10:23 pm

I use this when I watch anime and such. It's quite nice. You guys should definitely give it a shot.

Samesies - October 28, 2014, 10:25 pm

If this is the unofficial one, where is the official one?

Tasemu - October 28, 2014, 10:26 pm

No there isnt

Fireworks - October 28, 2014, 10:40 pm

I have no idea how teamspeak works. Or where to even get it.

Is this where you've been hiding all this time?

I was just in his hidey-hole with him watching some animu. Got off to get on the other Teamspeak I frequent and it was dead. x.x

Hunting Rifle - October 29, 2014, 4:13 pm

I've been in this TS for about um.. 2 hours? And it's already really good. Lots of people to talk with.

Black Hole - October 29, 2014, 5:28 pm

What exactly would make this unofficial as apposed to....official?

(Oct 29, 2014 05:28 PM)Black Hole Wrote: [\[CITE\]](#) What exactly would make this unofficial as apposed to....official?

The reason It's unofficial Is because Omni doesn't like the Idea of certain things being official (some problems occur or something ; don't remember).

Tasemu - October 29, 2014, 8:18 pm

If its official then that means if something goes wrong then I am liable/responsible/whatever so unless i want to be then its not official.

Dragon. - October 30, 2014, 11:13 pm

Do you think you guys can make a channel for AA Night?

Sure, pm me about it :)

Will not be super active this weekend, but i'll hop on tomorrow.

tweety - October 31, 2014, 12:23 pm

Uh, I stand my ground, this ts is dead, nobody talks at all and everyone just afk's. I'll give it a month.

Angel Beats?? - October 31, 2014, 12:26 pm

Just a thing I noticed. Private Rooms spacer is a room <<< you can just make it a spacer right?

I'm always up to talk but when I do actually join the anime TS no one else seems to talk.

Gladly - October 31, 2014, 5:59 pm

So I'm in, not sure where to go or if any of you want to join in. :p

Chips Ahoy McCoy - November 1, 2014, 10:57 pm

More people should join this. I'll probably be more active from this point on.

Wayside - November 4, 2014, 4:40 pm

We should play some kind of game, because talking about anime would just get weird. some game to spend time! :D

Berserk - November 4, 2014, 4:54 pm

I just joined aswel, lets all have some fun.

Diclonius - November 4, 2014, 4:58 pm

IRC is still up but hardly anyone uses it, just the occasional oldfag pops in. The Skype is very active thanks to #, Hentai, Tas and me.

As for the Teamspeak.. Kinda died before it got off the ground, I'll be sticking to the Skype.

uh uh uh add me to the group plz, I didn't know we had a skype group. \O/

severos - November 5, 2014, 11:16 am

well I'd certainly want to log there and have a talk with someone, but my mic is screwed up, and if I use laptop mic you'll end up hearing the fan more than me, not to mention my habit of sleeping when mic is on and everyone runs from snoring XD

by the way, you should make a singing contest out there, I had it once on some game server, first couple minutes everyone will be ultra shy, after 10min you'll wish they go back to that state.

Astrophysical - November 5, 2014, 1:21 pm

Really cool addition. I will join tomorrow afternoon!

Berserk - November 7, 2014, 12:45 pm

Joined but its Always empty.... Isnt there a official hackforums teamspeak ?

Black Hole - November 10, 2014, 6:33 pm

C'mon people, keep logging on! Gotta make this server popular :3

In?sane? - November 10, 2014, 7:34 pm

I don't really see a point in joining ts just to talk about anime, would rather stick to HF or irc for that. Not sure how many of you that actually play games but that might spark it to life.

Nathann22 - November 11, 2014, 10:10 am

Horrid in my opinion, it's dead almost all the time and those that are on it are in a private locked room.

TheElo124 - November 12, 2014, 4:55 am

"3. don't be racist

4. don't troll (like, hatin on anime, thats not okay)"

well that's most of AA banned

Lu Good - November 12, 2014, 6:09 am

Will come by :) Thanks for the teamspeak

Allison Argent - November 25, 2014, 12:15 pm

I've been relatively busy over the last few weeks, hence why my inactivity has been seen as 0, I log on their now and then to chill, all you have to do is Poke me and I'll reply and join xD

tweety - November 25, 2014, 1:13 pm

The TS died before it was even opened, I think the majority will be sticking to Skype.

Smexy - November 26, 2014, 7:54 am

I bet if someone joined everyone would be ruined and would start screaming in their microphones, which hurts :C
