Thread: [Minus Rep Without Reason?](#)

Lifeless? - October 28, 2014, 3:29 pm

I am not someone who is overly active or even known in the slightest but I believe this guy should be noted as a bad member he takes advantages of his power by minus repping normal members knowing they cannot retaliate. I would just like to know if the - rep he put on me is allowed as there was no valid reason and it is just stupid and silly.

Evidence:

His - Rep on me

People posting about his bad behavior towards members who can't rep back.

(If this is in the wrong thread please move it as I can't find where to post it thanks :)!)

Completely allowed. No violations here.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Oh no, I recommend you remove this or edit it as complaining about reputation here while being new will bring upon the angry HF elitists who'll negative rep you for whining.

Oh and yes this reputation is completely allowed, may not be the nicest reputation but it's allowed.

Thanks! I just didn't believe people could give -rep to normals without reason as it is kind of unfair. But I see where you are coming from thanks.

This doesn't violate any of the rules about reputation.

Quote:What is reputation abuse?

Reputation abuse can be very complicated subject matter. Here is a list of the following ways reputation can be viewed as abuse.

- Flaming: Using coarse language to describe or berate a member.
- Reputation as a currency: We do not allow the buying or selling of reputations.
- Gang Rep: The act of coordination with other members to raise or lower a member's reputation is not allowed.
- Rep Coercion: Using intimidation, threats, or blackmail to get reps added or removed.
- Rep Requesting: You cannot give hints, tips, or request reputations.
- Scammer Reputation: You're required to leave a link to a Deal Dispute thread you have created to infer someone is a scammer (ie: scammer, scams, chargebacks, scamming).
- Reputation Collusion: Agreeing to participate in reciprocal reputations with a member.

More information regarding the reputation system can be found [here](#).

Not reputation abuse OP, sorry. That is just how the reputation system operates as of right now.

[url=//hackforums.net/misc.php?action=help Wrote:Help Docs[/url]]The rep I received is pure nonsense, can you remove it?

As long as the rep isn't abuse by our definition we don't care if it makes sense or not. "Goobe gooba doo" is a perfectly acceptable rep.

Yeah it does not make sense to you, but nothing can be done about it as it does not break HF policies.
