Thread: [UID 2314669 | PMing about REP| What do I do?](#)

?Marshm al0w - October 29, 2014, 6:14 am

I just recieved a pm about trading rep from Majin Buu. I have no idea why and this was random. I don't know what to do about this. Report him? He already got a neutral rep saying that he was asking for rep by someone else.

His profile link: <https://hackforums.net/member.php?action=profile&uid=2314669>

Can't post the proof because screenshots not allowed in Lounge :/

So, what do I do ?

(This thread is probably in the wrong spot so staff or someone could move it)

Makin Cash - October 29, 2014, 6:16 am

I havn't been on this forum long but it does say in the [Help Docs](#) what to do..

Quote:What is reputation abuse?

Reputation abuse can be very complicated subject matter. Here is a list of the following ways reputation can be viewed as abuse.

- Flaming: Using coarse language to describe or berate a member.
- Reputation as a currency: We do not allow the buying or selling of reputations.
- Gang Rep: The act of coordination with other members to raise or lower a member's reputation is not allowed.
- Rep Coercion: Using intimidation, threats, or blackmail to get reps added or removed.
- Rep Requesting: You cannot give hints, tips, or request reputations.
- Scammer Reputation: You're required to leave a link to a Deal Dispute thread you have created to infer someone is a scammer (ie: scammer, scams, chargebacks, scamming).
- Reputation Collusion: Agreeing to participate in reciprocal reputations with a member.

Quote:How do I report abuse or get the invalid rep removed?

You can PM the admin Omniscient. Be warned. If you did not read fully this page and the rep left on your account was indeed within policy then you will get RepFucked without any hesitation. If you were left a scammer rep we may also do a full investigation of your account. If we find out you're breaking any site policies you will get a closed account.

--

TL;DR Report it to Omniscient, make sure it is valid, and it will hopefully be resolved. Please note that if you did not full read this page:

<https://hackforums.net/misc.php?action=help&hid=20>

Consequences could be issued as said below within the Reputation [Help Docs](#):

"If you did not read fully this page and the rep left on your account was indeed within policy then you will get RepFucked without any hesitation"

Motusora - October 29, 2014, 6:18 am

LOL , that would be his method to cover his scam reports on his reputation but that doesn't work here .

He asked me if he wanted to trade rep. Not what u said. I want to know how to report him.

?Alexander - October 29, 2014, 6:20 am

Trade repping is not allowed, but posting PMs outside of the deal dispute section isn't too. So, you might want to delete that screenshot.

It was stated in what you quoted. You PM Omniscient after thoroughly reading the Reputation [Help Docs](#), and fully confirming that it does in fact break the rules.

Well, shit. It was proof. What do I do then?

You can still PM proof to the staff, just not show it in The Lounge.

E?INEM - October 29, 2014, 6:25 am

You let the community neg rape him :)

CONN3X10N - October 29, 2014, 6:26 am

I used to see a lot of that on skype. I hardly go on there anymore. Too much people care about rep. It's sad.

Yeah no doubt. I usually get messages like crazy now that I have upgraded. Always "Hey yo, can I have 1 rep? I am your friend" or some shit along those lines.

Mario1 - October 29, 2014, 6:28 am

Omni doesn't really care about rep abuse.. it all depends on whether he likes/dislikes you or the other person involved.

The so-called "rules" here are a fucking joke. Donating and/or kissing asses helps people get away with a lot of broken rules.

What I'd do if I were you is, I'd stick it up my asshole 'cause no one from staff (except Judge) ever gave a flying fuck.

labroca - October 29, 2014, 6:30 am

Forward it directly to factor8 or omniscient.

Touka Kirishima - October 29, 2014, 6:32 am

Haha because I gave him a neg rep, I automatically have or became the following:

- Autistic
- Glasses now
- I have no friends

Guis, don't neg rep him or he'll use is LOIC to DDoS you as stated via P.M.

They are not as you so eloquently put it "a fucking joke". Rules and policies on HF are put in place for a reason. The help documents are there to help us. Omniscient will not just bend the rules, modify the rules, be unfair or be lenient toward members, just because they donate or ass kiss. Rules are rules, and are enforced by the Staff team, no matter what the circumstance, you break a rule, you get punished. Simple.

Is your name Majin Buu? If not this thread doesn't have anything to do with you ?

I can name multiple members here that made a post that isn't "Majin Buu" buddy also how does this thread have any RELEVANCE to you? Somebody on their periods?

Well the person who's asking for REP sent me a P.M so therefore I have some relevance to this thread. How do YOU have the relevance?

SaTan-INK - October 29, 2014, 6:41 am

trading rep is not allowed for sure ^^

but flamming threads , posting false accusation , asking for free/vouch copies ,sales trashing too but even it is forbidden , we can see that many times each day

i think giving him a neutral rep with don't ask for rep is enough =)

KING - October 29, 2014, 6:43 am

lol he sent me a drug e-book for free. Why people go to great lengths for something like this is beyond me

????II?! - October 29, 2014, 6:47 am

Stop diverting the thread guys.

OP, just report him to Omni but remember - he will check your account for any suspicious or bad record, or if you have done something wrong resulting in you also getting a punishment. Be careful about that.

NSFW - October 29, 2014, 6:51 am

Report it to Omni and he will most likely get rep fucked and a reputation abuse warning level.

Ronnie Flex - October 29, 2014, 6:52 am

This guy is obv a nerd and cares about the rules.

There is a world outside fag, gtfo of ur room.

If you're in a community or forum site where there are rules enforced, they're there for an obvious reason. And if you simply would not follow them, you can obviously always get off this site. Without refunds, of course.

I don't know why it's worth to create a thread when you could just pm staff.

Thread "What I should do" Do you even read rules?

Hire - October 29, 2014, 2:26 pm

He's in the deep red anyway, Don't think he will be here any longer.

Simply™ - October 29, 2014, 2:27 pm

I feel like this thread should go somewhere else. It's annoying when people do this, just report to Omni.

BITW - October 30, 2014, 4:17 am

Report him directly to staff which will be helpful I believe.

I think this thread should be closed and possibly junked now. A simple report would have done just fine.
