Welcome to Phoenix's Education Center!

The majority of HF members are students, and we all go through a lot on a daily basis. That's why we are here to offer our services to you, students!

What we can help with:Homework (we won't do your assignments for you, but we'll teach you how to do it and walk you through it)

Tutoring (math, science, English, Spanish, etc. up to certain college courses)

Social problems

Relationships

Stress

Time management

Planning for college/setting goals

Creating a social network

Studying tips

Building up confidence

And more!

I'd just like to remind everyone that we're still open, hoping to get some requests soon.
We should have an official thread design and signature shortly.

- zSernity ?

Cool, these are always nice to see.

Will you have any substantial support for programming?

I'm not very experienced in programming myself, but I'm sure there is someone who can help when the time comes.
