edoroom - June 2, 2010, 12:09 pm

Big thanks for i3urn :)

its works!!

I got all the numbers that i need and now i am waiting for the 2 deposits that paypal did.
i wil update here if i got verified

Jendro - June 2, 2010, 12:20 pm

Does this work with paypal? I need to tie it to an account to get verified. You can set it up with your own details (name/address), right?

If so, I'll buy it right away :)

Quick question though: I'm new to VBA, so if I transfer money from PP, how will I be able to withdraw it?

i3urn - June 3, 2010, 12:25 am

Sorry to say but that not working for me :(

when i opened account and did the guide its show me all my new vba info i add that to paypal day after i tryed to login to see if paypal deposit for me the money and its say

"For security reasons, your access to usaa.com is currently restricted. Call 1-800-759-8722 for assistance. (2:71) "

maybe becasue i did it with ip that not from usa then i opened new account while i am in usa ip (hotspot shield)

day after same problem "For security reasons, your access to usaa.com is currently restricted. Call 1-800-759-8722 for assistance. (2:71) "

I never did something with usaa website before only after i got your guide i saw they website on my first time.

no way my ip is in the blacklist because i tried with usa ip too!

maybe you can make for me account and you will tell me the deposit that pp do for my "VBA"?

if yes come msn :)
