I want to push my HTML knowledge to the full potential. PM me or Just comment what site you would like me to do for you.

Include details and be specific.

PM for my Skype or just PM me here or Just comment below

"I will provide my own images and my own hours"

if you judge me by -2 rep, read it before you judge ?

Sounds like a nice service! I might do something like this soon too because I'm feeling a bit rusty.

Regulus - November 3, 2014, 6:54 pm

Awesome service bud. I'd love to talk to you over Skype if possible. :)

there, mate.

Now Tom be nice, he's providing a free service.

OP, do you intend on taking Tom's advice and trying out Bootstrap?
