[Disney Anywhere](#)

I got a free digital copy of wreck it ralph(amazing movie). All you have to do is link your google play account with a disney account.

Spoiler ([Click to View](#))

steps

1. click link above
2. scroll all way right
3. create account if you dont have one/login if you do
- 4.scroll all the way right again
5. link google account
6. scroll all the way right again
7. movie

Nver seen it to be honest. With all these steps. I'd rather just find a BR rip from other obscure sources as it would be easier to obtain.

EDIT: Forgot to say thanks OP!

I stumbled across this movie while just looking for something. It's REALLY good! Or at least exceeded my expectation. Really takes you back to the retro days and the arcade era. Thanks for the share!
