Thread: [\[WARNING \] Don't update your KIK](#)

Bad Santa - November 4, 2014, 6:38 pm

Don't update your kik , fake camera will stop working :(

if you updated it and it stopped working just uninstall it and install this one it's a older version

Spoiler [\(Click to View\)](#)<http://www.devfiles.co/download/UBxWviCq/kik.android-7.3.1.111.apk>

After you downloaded the apk follow this youtube tutorial if you are using bluestacks

ÇdnîS Lu?i? - November 4, 2014, 6:44 pm

That would ruin E whoring as we know it! Just kidding, move to IOS and jail break =D~!

alpa aseo - November 4, 2014, 6:45 pm

Okay, thanks for the warning I guess.

?????s? - November 4, 2014, 6:47 pm

Damn thanks for the update. I have a little iPhone service going on Twitter. People want "Camera" pics lol

Tappy - November 4, 2014, 6:54 pm

I found this out on my own last night, but thank you for the share!! I am sure someone will find this helpful!?

I'm not using the kik method but was talking to a victim on there tonight and i was like WTF ?!?! when trying to send him a pic :)

Fish - November 4, 2014, 7:57 pm

dam thanks for this i was just about to update it!

Sktchy - November 4, 2014, 7:58 pm

Was about to post a thread for this but you beat me to it! Thanks OP ?

sweatpants - November 4, 2014, 8:00 pm

YESS thank you soo much. I was getting worried. but i di get a new buyer.. I was so bored in class today i whipped out my phone and logged into my ewhores kik to try and get buyers wit no previews. Ddint exactly work even though its' worked int he past

DotPSD - November 4, 2014, 8:00 pm

You niggas needa get off of this kik method shit

Lemme tell you something.

Their are KIK APPS LIKE KIK,

THAT HAVE A BETTER GUI, ARE SWAG. AND EVEN GET MROE MONEY.

It should bring in 200 a second, just let it sit their for awhile.

Ignore the camera light.

Oh ok. I was wondering why the camera light is on but I'll just ignore it.

Guess i'll watch porn and finger myself while I wait for the money to roll in.
