So, the user [Michael77](#) is multi-accounting.

Ever since the user [Pblord7](#) got banned, (notice the number 7 in their usernames) the user [Michael77](#) joined a few days after, 11-02-2014 to be exact.

The user, [Pblord7](#), uses the kik account: JonathanFoley.

I have taken a screenshot to prove that he is the one that owns this Instagram, just in case he wants to try and hide it.

The user, [Pblord7](#)'s Kik is JonathanFoley, and here is quite the conversation that we had on kik.

Here is him asking if he I would give his new account positive reputation due to the fact that he was closed.
