Thread: [--\[Free\] Aeolus Cracker ! Gmail Account Cracker---Hack Gmail Accounts--\[Free\] \[HOT\]--](#)

Aeolus - November 5, 2014, 8:49 am

Description:-

Aeolus Cracker is a tool for hacking Gmail account Passwords..?

It hacks it by a dictionary attack!?

I had personally used it and it works properly!?

How to use!

1. Download a passwords dictionary from Google!
2. Open Aeolus Cracker and click the browse button and locate the dictionary
3. Enter the email on above textbox! Click Hack..?
4. Minimize the program and check every hour that the account is hacked or not..
