hopefully Spoiler ([Click to View](#)) they won't reply :P. If not, will you re-do the winners?
When will you decide to choose new winners?

Oval - December 7, 2014, 6:48 pm

It's been 24 hours have they replied?

Kiyoshi - December 7, 2014, 6:57 pm

Posting to enter.

Cheers for the contest!

Griev?us - December 7, 2014, 6:58 pm

2 have replied, one has not.
They have 2 hours to reply.

T???? - December 7, 2014, 8:27 pm

I think you should pick me to win :D

Kid Goku - December 7, 2014, 9:09 pm

It has been 24 hours, and the extra 2 hours you have given them...how much longer do I have to wait, the suspense is killing me?!

Griev?us - December 7, 2014, 9:31 pm

I'm going to go ahead and pick another win, please give me a minute ?

ScienTisT - December 7, 2014, 9:43 pm

i would like to join his contest please.

Griev?us - December 7, 2014, 10:04 pm

Winner #1 Re-chosen:

He hasn't been active, I'll give him a chance though.
He has 24 hours to reply to my PM or I will choose a new one.
Please keep your signatures on ?

No, I have not.

One winner hasn't replied so I'll most likely have to re-select another one today.

I'm pretty sure i've just won one of the prizes.

Jkjk, Nice contest though ^^

The Wizard of Dos - December 8, 2014, 12:26 pm

Maybe there's still hope :D I would really like to win this!

?Average - December 8, 2014, 2:14 pm

I think he's replied the winner has been on today.

Kid Goku - December 8, 2014, 3:37 pm

Has he replied yet? I really want to know.

blU3b3rrypAncAk3s - December 8, 2014, 8:33 pm

You know what I may just do, I may just go and find someone who is online right now and pick a
number of one of them.

This is just going overboard now ?

I think you should ignore those winners who are inactive for more than 24hrs
or you will get tired!

This guy is inactive for 11 days.

and dude why the f*ck it is 1 -100 in random.org

should it be somewhat 300+

It seems you still in sleep and if the winner announced also replies it should be cancelled!

previous ones are 1-346 and this one is 1-356
while when you declare the winner at #336 post [why such a gap of 10 and then 20]
I am confused totally!
Not complaining or stuff just wanna know your way of choosing the winner and implementing in random.org
