I have some Xbox live codes that I am willing to sell. I only have a few of each.

I will allow BTC coin until I get 70\$ worth, then Paypal will be the only accepted method. No acceptations.

You won't get retail value for those here, I suggest going lower. And I think you marked up the price for the 3 months lol

Good luck with sales.

A lot of people on hf sell codes such as:

3 month- \$10

12 month - 25

A 12 month goes for \$30 MAX, you should lower that price more.
