Thread: [Hellsing ultimate sucks, Comic relief and CGI isnt good.](#)

AEDEAD - November 9, 2014, 1:07 pm

I'm only on the fourth episode but they redo a lot of things from Hellsing but in a way shittier way, and the constant comic relief and CGI ruin everything for me. and they change the plot so badly, why couldnt they have just continued from where the last series ended. why did these faggots go and ruin a perfectly good anime...
