Thread: [Phoenix | General Android help desk](#)

iKinky - November 12, 2014, 9:50 pm

Hi, I'm iKinky. Any member of phoenix with experience in this subject field are going to post in hopes of fixing whatever your problem is!

Hope we can be of some assistance!

A little about me:

Oneplus One 64GB sandstone black

CM 11

Android 4.4.4

Rooted

Prince Gumball - November 12, 2014, 9:51 pm

Vouch! This user is really HQ c: Also I love Tibit and Troye <3

Griev?us - November 12, 2014, 9:53 pm

Ooo, this is something new.

Although, I'm an Android Guru but nice to see a nice group-ran thread opening up.

iKinky - November 12, 2014, 9:56 pm

Thanks guys. As long as we're helping somewhere, we're doing our job.
