Thread: [i have a problem mi vcw have 10 menus like show ass and wave etc but only show 5 why](#)

ObiJuanKenobi - November 13, 2014, 2:49 am

i have a problem mi vcw have 10 menus like show ass and wave etc but only show 5 why how can i fix it

Sn1perRd - November 13, 2014, 3:54 am

when i first started this i thought that too but when you press the last one more option will appear

option are made by order so i dont recommend changing that order try to get new vcw with more option if you like

<https://hackforums.net/showthread.php?tid=4532971>

try this vcw +30 commands and still kinda new
