Thread: [Aaron's Shitty Middleman Service](#)

afk0 - November 13, 2014, 8:42 am

I can hold any Cryptocurrency including Bitcoins and Omnicoin. I can also hold details to OG accounts as well as some other items.

Everything will be done over a group Skype chat after confirming they are the owner of the Skype account via Hackforums.

Vouch for this user, he's really trustworthy and I would trust him as Middleman

afk0 - January 30, 2015, 10:53 am

Still offering this service if anyone still wants it.

Deany - January 30, 2015, 10:53 am

Vouch for Aaron, I hope one day I can meet his awesome dad. ?

TheNaked - January 30, 2015, 10:55 am

Vouch for Aaron his a trusted hf member. Good luck with your services Aaron :)

?YouTube - January 30, 2015, 10:56 am

Aaron is a very trusted person on HF. Plus he's cool :))))))

AutonomousGirlFriend - January 30, 2015, 11:10 am

vouch for arron like i know him and he doesnt know me but i trust him ;)

Pseudonymous - January 30, 2015, 11:50 am

Vouch for this shitty middle man service. Aaron will definitely scam you :P

iloominati - January 30, 2015, 3:46 pm

Vouch for this middleman, scammed me and stole my btc plenty of times
