Thread: [Help \(Putting money \)](#)

iSevere - November 15, 2014, 9:14 am

I leave Europe and i am playing Turkey . I want to put money to buy some skins but i dont have turkish pay safe cards . If i buy with euros will they work ? If not what are possible solutions ? Thanks .

Paysafe card is a worldwide money system, if you buy one in one country, it will work in the other.
