Thread: [League of Legends Boosting Thread Design 90% Complete](#)

Nilsson - November 16, 2014, 7:03 am

Hello. It was sometime ago I did graphics related, but recently I've been working hard with this master piece.

It's a Thread Design which is 90% done, I haven't added texts to all empty boxes, and there is still some small fixes left. :)

I have finally fixed the quality so, everything should be fine now!
