Thread: [Specialists Graphics Resource Pack #1 - Direct Link](#)

Barneyyz™ - November 17, 2014, 2:59 pm

The graphics sector within The Specialists has compiled a pack of useful resources that we often use to assist members in their ventures within the vast world of graphic design.

Within the pack you can find:

- Stocks

- Renders

- Polygonal Backgrounds

- Photoshop Brushes

- Light Strokes

- Fractals

- Icons

- Fonts

- C4D's

- PSD's

- Useful Websites List

If you are downloading the pack, please give us some feedback in the thread so we can improve it, and plan out better graphics packs in the future for things that you would like to see.
