Thread: [Bing Rewards Auto Search](#)

Fatdude72 - November 17, 2014, 8:49 pm

Alright so i made this for Bing rewards since you can earn 1 credit per 2 searches up to 30 credits which i made this program it will auto search a 3 letter,number combo and delete and retype a different letter,number combo its very efficient

Photos Of The Program ([Click to View](#))

Hi,

Or use this and not have to touch sketchy exe files on HF.
