Nice cant wait to see the rest!

Do they have the right dimensions fir HF?

Also the diamonds have a background:

Will make some more soon! And yes all have been made / edited by me to fit HF's dimensions.

None of these are copied from another site etc, All done by me and the BG's are HF's color to blend so it'll show up as transparent. ?

I'm interested in a private avatar, could ya PM me :3!

?Darky - November 23, 2014, 12:57 pm

Very nice man!

I like the lion with the green eyes alot,

Reason why,

I have green eye's + lion is my constellation
