Thread: [Turning hard.](#)

Imaproatthis - November 21, 2014, 2:32 pm

You know what, It's turning hard deciding what my tutorials should be, I don't know what is it you guys want! I don't know... Ummm, give me something here, tell me what you want. Come on.

DanJobson2014 - November 22, 2014, 7:06 pm

Can vouch for this amazing guy! Really Really fucking good

Økser - November 23, 2014, 6:36 am

The title is extremely misleading...

Sir Robert Bryson Hall II - November 23, 2014, 6:37 am

Well i came here for something else but never mind.

SIM-1456221 - November 23, 2014, 7:59 am

Finding RDP/Linux boxes and gaining root so I can use DoS scripts or some fucking shit, I dunno. Useful shit like that.

Don't bother asking. The OP is a LQ skid who leeches all his tutorials so far from an external site (null byte). He doesn't know anything.
