Hello beautiful.

Are you in need of a fresh and clean MC Banner or Signature?

I'm VexDesigns and currently offering amazing Minecraft Banners/Signatures at an affordable price for the quality you are getting.
These are some examples that show off my skills.

- Prices -

These can range from \$10 - \$50
It all depends on what you are asking to be done.

- Process for Ordering -

PLEASE READ THIS OR YOU WILL NOT GET ANY WORK DONE FROM ME
Requirements:

A legal PayPal account
Skype for communication
A basic idea of what you want
Money to purchase a banner

You must first be able to have a great amount of patience before ordering. The wait time is unpredictable and I may not be able to notify you for delays.

I will ask you to pay half upfront before I start creating your banner.
If you are unable to follow this step, I will simply deny your request.

After your banner is complete, I will show the watermarked draft.
If there are no edits to be made, you must pay the rest for your final banner.

NOTE: The amount of edits you may request after I show the draft banner is not unlimited.

WAIT TIME: Few hours - 2 weeks

- T.O.S -

1. You must follow the "Process for Ordering"
2. By requesting a banner, you automatically follow my T.O.S
3. I can deny any request without a reason. No questions asked
4. I will not be sending out my project files.
Edits can be made with a small fee
5. I will not be teaching how to create banners
or give any advice
6. Scams will NOT be tolerated
7. I can change the T.O.S without any notice
